Sub : Classification of "Chari Latrine"

Sir,

During the Training to Master Trainer from different ULBs in connection with Survey for Identification of Insanitary Latrine/No Latrine Facility in terms of "The Prohibition of Employment as Manual Scavengers and Their Rehabilitation Act, 2013" representatives from some ULBs have raised question about categorization of Chari latrine (Name of the ULBs are enclosed) being used in the urban areas of those ULBs as Insanitary or Not. Since the matter is quite technical one, you are requested to depute competent engineers of your Directorate to help the ULBs for proper classification.

In this regard, the concerned ULBs have been requested to provide requisite information about the areas where the so-called Chari Latrine are in use.

Incidentally it may be mentioned that the name of the ULBs mentioned in the list are not exhaustive, but illustrative.

Thanking You.

Yours faithfully,

Encl: ULB List
